

VEDANTA INTERNATIONAL RETREAT

Five days to pause and reflect on your life

12-17 December 2017 | Vedanta Academy, India

Vedanta is the ancient Indian philosophy that dates back thousands of years. It helps one develop a powerful intellect, the key to success and peace. Moreover it ushers one to the goal of human perfection.

The location is nestled in the serene and picturesque hills of Malavli, 108 km southeast of Mumbai, India. The secluded setting provides an ideal atmosphere for studying the truths of life.

[Watch intro](#)

The retreat is specially designed to introduce the fundamental teachings of Vedanta to both individuals and families through lectures, Q & A and interactive group discussion sessions.

Participants experience a unique schedule of early morning study, appropriate diet, yoga, sports, gym and community singing that provides for complete development of the personality.

“ Give your personality a lift, you lift the whole world ”

A. Parthasarathy

RETREAT FACULTY

A. Parthasarathy, affectionately known as Swamiji, is a world-renowned philosopher and author of eleven books including three best sellers. For over fifty years he has enthralled audiences around the world with his exposition of Vedanta and its practical application in life.
